Dear Friends,

It is with great excitement and enthusiasm that we embark on a Gun Buyback program in the City of Boston. We, along with our community partners, planned this important event in an effort to reduce gun violence, and to get our community involved in a proactive campaign to take guns off of our streets.

"Aim for Peace" is intended to silence the gun violence in our city, and send a loud message to violent criminals that we are not going to allow our streets to be overridden by crime. Instead, we are encouraging our youth to reject a life of crime and violence, and embrace a life of personal responsibility, hope and peace.

This "no questions asked" program will allow individuals to dispose of firearms without fear of charges for illegal possession. It is our feeling that one less gun on our streets is one less potential death. In addition, "Aim for Peace" gives community members an opportunity to easily turn in a weapon and reduce the risk that a gun might be stolen and used for criminal activity.

While we have gained the support of the City, and many community partners, we need your help to make this program a success. If you have access to, or possess a gun, please save a life, and turn that gun in.

Thomas M. Menino, Mayor

Albert E. Goslin, Superintendent-In-Chief

The 2006 Boston Gun BuyBack Program asks you to "Aim For Peace" and trade in a gun for a \$200.00 gift card.

This program will take place from June 12th - July 14th, Monday through Friday, from 12:00 pm - 7:00 pm at various designated drop-off sites throughout the city.

If you do not wish to deliver the firearm to a designated site and would like to arrange for a private exchange, call 1-888-GUNTIPS.

The following procedure MUST be followed in order to receive amnesty for possession of a gun when it is turned in, and to receive a Target® gift card.

### **TURN-IN PROCEDURE**

1. Gun must be delivered unloaded.
2. Gun must be put in a clear plastic bag, and put into another container (gym bag, backpack etc.).
3. If depositing ammunition in addition to a gun, ammunition must be delivered in a separate bag.
4. If transporting the gun by car, gun must be transported in the trunk of the car.
5. After the gun is screened by officers, and determined to be a working firearm, a gift card will be given.
6. Rifles and Shotguns will be accepted, however no incentive will be issued.
